

TRANSCRIPT REQUEST FORM

This form is for College Acceleration Program (CAP) students, former students, and alumni who do not currently have access to WebAdvisor.

1. Official transcripts are printed on security paper and cannot be faxed or emailed.
2. Requests are processed in the order in which they are received. The Registrar's Office requires an average of five business days to process a request. This does not account for mailing and delivery time. During peak times, at the beginning and end of each semester, please allow additional time for processing your request.
3. Transcripts will not be sent if your account has a financial hold. The Business Office must release the hold in order for your request to be processed.
4. Students who need to attach additional paperwork/forms to a transcript should request an official transcript be sent to themselves. **DO NOT OPEN THE TRANSCRIPT** when it arrives. Transcripts should remain sealed. Once they are opened they are no longer considered official.
5. Transcript will be sent electronically if possible.
